

CALL FOR APPLICATIONS ERASMUS+ KA131
MOBILITY GRANTS FOR STUDENTS AND STAFF FROM UKRAINE
A.Y. 2022/2023

Purpose of the Call

According to the decisions adopted by the European Commission to face the humanitarian emergency caused by the ongoing conflict in Ukraine, the University of Sassari (UNISS) offers Erasmus+ mobility grants for students enrolled in any Ukrainian University who are currently fleeing from their country and for staff employed in a Ukrainian University, to carry out study/traineeship/teaching or training mobility periods at UNISS.

Mobility grant types

For the A.Y. 2022/23 the following Erasmus+ mobility grants are available:

- No. 5 mobility grants for study or traineeship mobility periods at UNISS, for a maximum duration of 6 months each.
- No. 2 mobility grants for staff (Professors or administrative staff) for teaching or training mobility periods at UNISS for a minimum duration of 5 days and a maximum duration of 30 days.

STUDENTS

Student mobility

Eligible activities for students include:

a) STUDY MOBILITY

- Full time study activities (lessons, exams, or thesis preparation or all of them).
- Additional traineeship activities, to be defined with the relevant Department.

b) TRAINEESHIP MOBILITY

- Full time traineeship activities.

Applicants interested in a traineeship mobility may choose among one of the positions described in **ANNEX I** of the Call.

Student mobility duration

The study/traineeship mobility period may range between October 2022 October 2023 or between February and July 2023, or, in case of traineeships in the periods specified for each position.

The mobility activity must end before 31/10/2023.

The mobility period shall have a minimum duration of 2 month. Shorter periods are not eligible.

If the participant cannot carry out at least 60 days of mobility due to force major, the Erasmus+ Italian National Agency might consider whether to recognise the mobility period carried out and the corresponding funding.

Each mobility grant for students amounts to € 1,100 per month, including:

- Euro 850.00 per month as individual support
- Euro 250.00 per month as top-up for students from disadvantaged backgrounds

Selected students will be exempted from paying any tuition fee at UNISS as foreseen by the Erasmus+ Program regulations.

Incompatibility

The mobility grants offered under the present call are not compatible with other grants granted by the University of Sassari to Ukrainian students and staff. If candidates are awarded more than one grant, they may choose which grant they accept for the whole duration of the mobility period.

Application requirements for students

Eligible applicants are required to be regularly enrolled in a Ukrainian Higher Education Institution at the time of application.

Applicants are required to provide evidence of their enrolment by submitting at least one of the following documents:

- certificate of enrolment
- declarations issued by competent Ukrainian Higher Education Institutions or authorities, stating the enrolment at a Ukrainian Higher Education Institution

In case of mobility for traineeship, students have to meet the specific requirements specified for each position. Eligible applications will be subject to final approval by the host institution/company.

STAFF

Staff mobility

Eligible activities for staff include:

- Teaching
- Training (job shadowing, training, workshops)

Selected participants will receive the financial contribution as a reimbursement of the expenses incurred up to € 160 per day, until the 14th day and up to € 126 between the 15th and the 30th day, upon submission of supporting expense documentation.

Application requirements for staff

Eligible applicants are required to be regularly employed in a Ukrainian Higher Education Institution at the time of application.

Applicants are required to submit at least one among the following documents:

- Pay slip
- Employment contracts
- Declarations issued by Higher Education Institutions or by relevant Ukrainian authorities

Travel grant for students and staff

Selected students and staff will receive a contribution for travel (1 round-trip flight ticket per beneficiary), based on the travel distances calculated using the distance calculator tool (<https://erasmus-plus.ec.europa.eu/resources-and-tools/distance-calculator>), up to a maximum of € 360 per participant, as follows:

Travel distance	Amount
Between 10 and 99 km	€ 23.00
Between 100 and 499 km	€ 180.00
Between 500 and 1999 km	€ 275.00
Between 2000 and 2999 km	€ 360.00

Staff will receive the travel grant as a reimbursement of the expenses incurred, upon submission of supporting expense documentation.
